Could you become a friend of Youth Space?

Youth Space has many exciting plans for the future. In order to build up the work and establish new projects in response to the needs identified by young people we need money. We will seek grant funding but we also need individual financial commitment.

Friends of Youth Space are asking people to make a 5 year commitment to Youth Space through regular giving. This does not have to be a large amount of money.

(For instance if you give £5 per month in one year that's £60 per annum and over £300 in 5 years). If 10 people give in this way that's £3,000.

In return we will inform you annually of funds raised and how your money has been spent.

All subscriptions to Friends of Youth Space are handled confidentially by our Treasurer. The staff and day to day volunteers to the project do not see your donation form or know how much you have given.
