Dear Circuit Youth Reps,

As we head towards Advent I am aware that churches will be preparing their Advent/Christmas magazines. I have prepared a little article to be included so as to share something of what is happening at Youth Space.

Don't worry I do have a photo permission form from all the people in the photograph so it's safe to be published for the purposes of Youth Space and the wider Methodist Church.

Youth Space are currently looking for more volunteers as our work is starting to expand. In addition to putting up our enclosed colour posters somewhere where it will be noticed by potential volunteers it would be appreciated if you could mention this to anyone in your church who may be able to assist us. We not only need regular volunteers for our groups but are also looking for people who may be able to offer occasional transport and volunteers for one or two sessions on slightly more specialist topics such as map reading and presentation skills.

Don't forget Youth Forum's next meeting is on Wednesday 18th November at 19:30 in the basement of Cathays Methodist Church. Youth Forum is an opportunity for those involved in working with young people from across the circuit to get together along with representatives from those churches with no formal youth work to share ideas and create some joined up work. This meeting will focus on plans for a Circuit Wide event during Spring 2010.

All of the materials mentioned above are of course available electronically if you would prefer from the Youth Space website – youthspace.cardiffmethodist.org.uk

If you require anything in a different format then get in touch and I'll see what I can do.

Thanks

Ian – Cardiff Circuit Youth Worker
