Wednesday 22nd September 2010

Dear Youth Enthusiast,

Thank you for receiving another batch of information on what is happening for young people in the Cardiff Circuit this term. I'm really excited about some of the things we have planned this term and the way that our projects are moving forwards.

New in this pack

- Notes from the September meeting of Youth Forum
- Paper copy of the Youth Forum Newsletter
 - This has been e-mailed around to all the youth leaders I have contact details for, please pass it on to any others working with young people in the Cardiff Circuit and then ask them to sign up to receive it directly in future.
- Poster for Cafe Sundae
 - Beautiful Mind? And exploration of God and Difference
 - Cafe Sundae is a new style of worship we are trying out in Youth Space one Sunday per half term.
 - Open to all aged 11-18 who are willing to try something new along with us
- Poster for the Yoo Smooth
 - Yoo Smooth is the Youth Space Smoothie bar
 - We are open three days a week after school as a drop in space for young people within Canton.
 - Young people's groups can also book to come for a smoothie evening in Youth Space – contact Ian for further information and to talk about what's possible.
- Poster for the Autumn Circuit Youth Weekend
 - 22nd – 24th October 2010 (Fri night to Sunday Afternoon) in Radyr Methodist Church
 - The theme for this weekend is "Youth Space: The Musical"
 - It costs just £25 per place including all meals
 - Sorry I can't say much more than that yet as the full planning meetings are yet to happen, more details will follow once we know them.
- Friends of Youth Space forms (Version2)
 - With the Youth Space bank accounts now sorted we have a new version of the form including all the relevant information
 - Thank you to those who have already made their commitment, you will soon be contacted individually in order to set everything in place.
 - We need more people to become Friends of Youth Space and show a five year financial commitment to supporting our project so that we can then use this as a commitment against match funding applications to other funding bodies.
 - All forms are treated in confidence by our treasurer and none of the staff or volunteers to the project know who has given or how much.

Posters that can stay up

- Youth Space recycles Cartridges poster
 - Yes, Youth Space are still collecting used printer cartridges and toner units from laser printers to send for recycling in return for funds towards our project.
- Youth Space 1
 - Youth Space 1 is our Sunday evening group here in Youth Space and is open to any young people from across the Circuit who want to come and explore a different way of being church.

Thank you but it's gone...

- Youth Space accept Tesco Vouchers poster
 - Thank you to everyone who collected Tesco vouchers for Youth Space. We had just over 400 which gets us some new introductory questioning balls, great for getting new groups talking.

As well as putting up these posters so that all who use your church can see them, getting the dates into church notices/magazines and actively telling the young people you see about these events, could I please ask that you remove any out of date posters as this is as important for people to spot what we are doing as current posters being put up promptly.

Next time your church newsletter is being produced please let me know as I've got a couple of little articles that can be dropped into a church/community newsletter to let everyone know what is happening at Youth Space and for Young People across the Cardiff Circuit.

If you require any more of these posters or any other publicity materials from Youth Space they are all available to download from the Youth Space website (<http://youthspace.cardiffmethodist.org.uk>) but please also let me know so that I can send the right quantities of these materials in future.

Thanks

Ian – Cardiff Circuit Youth Worker
