Thursday 03rd September 2009

Dear Church Treasurer,

I am writing to remind your church members (through yourself) of the commitment made by the Circuit Meeting in May 2009 for all churches to provide £1 per member through individual giving towards the Youth Space project. This money is especially needed as we look towards the opening of the dedicated Youth Space building and needing to paint, decorate and furnish this new space. When all the membership of the churches of the Cardiff Circuit give just £1 this will add up to £1490.00 towards the work of Youth Space and give us a good start to the progression of our work with the Young People of the Cardiff and Caerphilly area.

Once your church giving is collected it can be passed onto myself at the Circuit Office. Please make any cheques payable to "**Cardiff Methodist Circuit**" as all monies for the project are, at present, being processed through the Circuit Accounts. We would of course appreciate if any giving was Gift Aided through your own church scheme and the relevant extra also passed onto us.

Thanks

Ian – Cardiff Circuit Youth Worker
