For young people
For God

Youth Space needs more Adult Volunteers

**We are looking for adults who are willing to join
a rota in order to staff our after school work
Weds, Thurs, Fri 14:30 - 17:30.**

Don't worry we are not looking for you to do all of these (although that would be great) we are setting up new rotas so that our volunteers only have to comit to one afternoon every three weeks.

**This means that we now need LOTS more
volunteers in order to make this work well for
everyone involved.**

We need people who can be a friendly face for young people to chat to and serve or assist young people to serve at our new smoothie bar.

We are also looking to expand our outreach team who will spread the work of connecting young people beyond the walls of the Youth Space building and work as a team (including Ian, our Youth Worker) to build relationships with the young people around Youth Space

No previous experience required.

All applications will be subject to the Youth Space
Safer Recruitment procedure including a CRB Check.

For more info contact :

Rev. Susan McIvor - 029 2084 2207
